

Stories of the Hope

MISSION OF HOPE NEWSLETTER

Dear Mission of Hope Friends,

As the air begins to chill and the beauty of fall surrounds us, we at Mission of Hope are already looking ahead to one of our most meaningful efforts of the year—spreading Christmas joy to children across rural Appalachia. For many of the families we serve, Christmas is a difficult time. Parents struggle to provide even the basics, and the thought of giving their children gifts is often an unreachable dream.

But thanks to your generosity, this Christmas will be different for thousands of children. Through our Christmas Campaign, you help bring smiles to the faces of boys and girls who might otherwise go without. A new toy, a warm coat, and a simple reminder that the love of Jesus can make a world of difference in the heart of a child.

Last year, with your support, we were able to extend the HOPE of Christmas to over 10,000 children. This year, the need is just as great, and we're counting on your continued partnership to help us reach even more children. Your donations bring hope and joy into homes where there may otherwise be none, reminding families that they are not forgotten.

We are deeply grateful for your unwavering kindness. Together, we can make this Christmas season one of hope, warmth, and love for those who need it most.

With heartfelt thanks,

David Heatherly
Executive Director Mission of Hope

HEROES OF THE HOPE MINISTRY SPOTLIGHT

Red Bird Mission has been a community fixture in southeastern Kentucky for over 100 years reaching out to meet the emerging needs in the remote areas where the counties of Bell, Clay and Leslie come together. The initial response, establishment of a school that gave youth the chance to go to college, added on the layers of health care and caring for the basic needs of families. Today, Red Bird reaches more than 12,000 people through its Pre-K through 12th grade school, food pantries, home repair, thrift shop, senior activity center, meal delivery to the home bound, and community health outreach programs.

Mission of Hope has become a strong partner providing frequent deliveries of in kind goods that include vital food and bottled water for the pantries, infant care items, baby furniture, and school supplies for the children. Red Bird has also been a beneficiary of mini-grants from Mission of Hope that sustained outreach programs vital to the people served that are living in poverty and need the services Red Bird provides to give families a chance at becoming self-sustaining.

Tracy Nolan, Red Bird Community Outreach Director emphasized, "From the Director to the man delivering the goods, their hearts are filled with care and compassion, taking time to speak with clients, assist with unloading and touring our facilities."
